Dear John Doe,

Assalaam alaikum—Greetings of peace.

It's hard to find the words to describe the far-reaching impact made by your generous decision to fund one of the most precious projects we support at IRUSA. Your heartfelt compassion, coupled with your definitive decision to act, transformed an entire community for the better—now and for years to come.

THANK YOU for your donation of \$500. Your donation is going to have great impact for those served through (PROJECT NAME). *Your donation details are below, so make sure to save this receipt for your records.* It's also accessible on your donor portal anytime you need it.

The Prophet Muhammad (SAW) said, “The most beloved deeds to Allah are those done consistently, even if they are small.” We can't possibly measure how much this act of kindness will weigh with Allah. We pray that it is immense. For now, know it brings light to the lives it touches.

Not only that, the community you helped is made up of families not unlike your own: old, young, male, female, sick, healthy, mothers, fathers, children, and more. In fact, the people you've helped are your family too—you've affirmed that with your act of giving.

Allah (SWT) says, “So establish regular Prayer and give regular charity; and obey the Messenger that ye may receive mercy” (Qur'an, 24:56). It was the mercy of a handful of the first donors that ever gave to IRUSA that allows us to now serve millions of people in this way. It is now your mercy that will shape the future for people suffering.

How exactly do we show gratefulness for our blessings? One of the best ways is to share that same gift with others who don't have it.

You've done that.

Donors like you, and the lives you positively impact, make the work we do here at Islamic Relief USA worth it. The spark of compassion that starts in hearts like yours allows us to implement projects all over the world that relieve suffering and bring hope.

The angels have written down your name among those who made this possible, insha'Allah. So thank you. You've inspired the work of the staff here at IRUSA. Our programs team is proud to provide you with more information upon request.

With admiration,  
Islamic Relief USA
